### 2.2.2 Electrical installations & power supply

**The electric power supply available at the exhibition is as under (as provided by Pragati Maidan Authorities):-**

Single Phase	:	230 Volts ± 10%
Frequency	:	50 Hz ± 3%

- ✍ The fluctuation in the parameter for power supply mentioned above is only for reference. Larger variations cannot be ruled out.
- ✍ Each stand will be provided with electric power at one or more main points depending on the total requirement. Exhibitors should use Fuse distribution Boards for further distribution. Exhibitors should use either armored cables or metal conduits for connecting power supply for further distribution. All electrical installations should be earthed firmly at two places through bare copper earthing wire of the size appropriate to the load connected.
- ✍ The work of drawing power from main point(s) given in the stand area to exhibits is to be carried out by the exhibitors at their own cost. Exhibitors may engage the empanelled agencies for stall decoration or cabling work inside their stall. The service charges of electrical contractors are to be borne by the exhibitors and are payable directly to contractors.
- ✍ Connecting power to exhibits other than the specified load or the load allotted by the Electrical Department is strictly prohibited.
- ✍ All main electrical supply points must be kept easily accessible for operation and repairs, in the event of emergency. These should not be concealed or covered.
- ✍ Power will be released only after the wiring work is carried out to the standard of the organizer.
- ✍ Exhibitors are advised to take highest level of safety precautions and engage services of only empanelled qualified and licensed personnel for electrical wiring and installations.
- ✍ Exhibitors may contact the organizer for electrical work and guidance.
- ✍ Permanent power will be made available from 17<sup>th</sup> January, 2018.
- ✍ Organizer reserves the right to disconnect the electrical supply to any installation which in their opinion is dangerous or likely to cause a risk to visitors or other exhibitors.
